TALBINGO PUBLIC SCHOOL

PO Box 41, Lampe Street, Talbingo 2720
ISSUE 6 | 31st August 2022

HIGH TEA

Last Tuesday students had a fantastic time celebrating all things about a High Tea. Parents, Grandparents and some of our community readers were able to attend. Students helped Mrs. Adams to prepare a beautiful range of Tea and delicious treats.
Discussions were held on how to behave in a High Tea environment, it was a fantastic day enjoyed by all.

HISTORY CLASS

After reading the novel **My Place, by Nadia Wheatley**, the students have been using a journey timeline to show the history of Talbingo, focusing mainly on the changes in transport and the life of our pioneers after which our streets are named.

NERDLE FUN

We've been having so much fun with Nerdle! Nerdle is a daily Math's challenge, which students have been doing with Ms. Nicholls. Through discussion the students must knuckle together to solve very complicated Math's problems. This promotes mathematical reasoning and is great for students to work together as a team.

IMPORTANT DATES

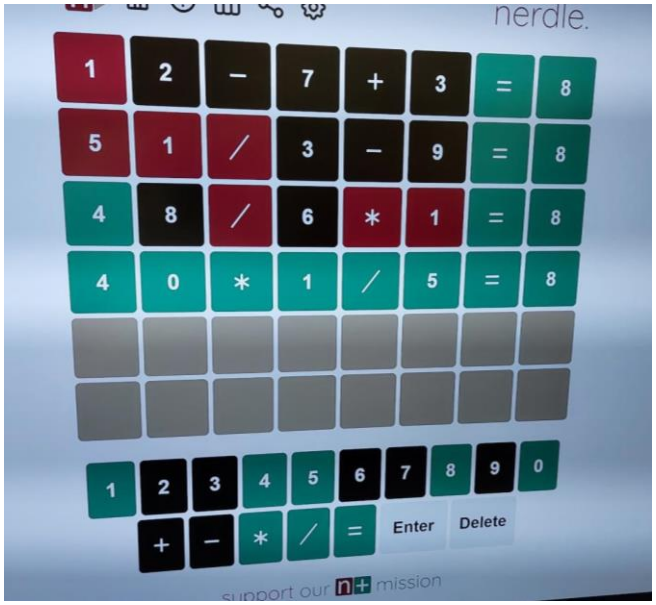
Friday - Senior Excursion $20 payment due.

WEEK 9
Thurs/Friday – Principals Who Teach Conference

WEEK 10
Friday- Last day of Term 3 & Senior Excursion $20 payment due.



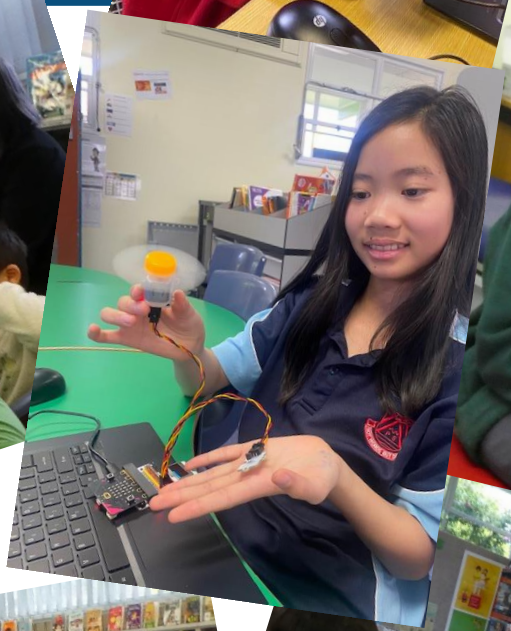
TALBINGO
NOT WORDS BUT DEEDS

SMART HOMES

Senior students Evie, Mia & Jasmine have been exploring the world of Smart Homes. This program is virtually run with Khancban and Rosewood Public School, with Mr Bell as coordinator.

A few words from our students on the perks-

Evie- I love the freedom we get in doing what we want to do, I like how we get to design and build things. Its lots of fun!

Mia- Its great when it comes to building, I get to use my imagination and love being a building expert.


Jasmine- I love the building side of things and problem solving when certain codes won't work.
