P&C Update

The P & C Association held its Annual General meeting in week 5. A big thank you to all who were able to make it & a warm welcome to our new board members; President Ann Banks and Secretary Lauren Codben.

NEXT P&C MEETING

TERM 2 – WEEK 5 – 27 MAY 2024

We would love for you to join us.

Ride to School Day

Students had a fantastic day with special guest Constable Mitchell Gray who is Talbingo's new policeman. Constable Gray gave the students lots of tips on how to keep safe on the road, plus keeping their bikes in safe working condition. A big thank you Constable Gray for taking the time to visit Talbingo Public School.

Harmony Day

On Thursday the 21st March Talbingo Public School will celebrate Harmony Day. Harmony Day is a day to celebrate multiculturalism and respect for all Australians.

Students may dress in mufti clothes and if possible, please wear an orange or similar coloured shirt.

Lunch packs will be available for students to purchase.

Pie & fruit box – \$4.50

Sausage roll & fruit box – \$3.50

Please write your child's lunch order on a brown paper bag with the correct money & return by 20th April.

Please note- parents must provide paper bags for their child.

AP Curriculum & Instruction

Last week our new Assistant Principal Curriculum & instruction leader- Elissa Sujachmir (Mrs S) came to Talbingo. Elissa is a wealth of knowledge and is an amazing asset to our team.

Elissa has been spending time with Talbingo Public School students through remote learning and teaming up with Khancoban Public School for fun interactive Math's lessons. With Naplan upon us, Elissa has been working with students one on one to help them navigate the Naplan platform.

Our amazing teaching staff were blown away with Elissa and have been spending lots of time to help guide them through the new English and Maths syllabus.

We look forward to a wonderful year with Mrs S.

Naplan

National Assessment Program – Literacy and Numeracy, annual assessments have started and will progress over the next 3 weeks.

Naplan results allow parents and teachers to see how students are progressing individually as part of their school community and against national standards.

Sphero Robotic

Talbingo Public School students have been loving investigating the sphero robots, working remotely with Khancoban Public School. Not only are these amazing little devices a heap of fun, but students are also learning at the same time (shhh don't tell them!)

Students program the devices to bring them to life, building on their STEM (science, technology, engineering and math) skills & concepts. Students face challenges along the way and work collaboratively to solve them, our first challenge was navigating around the "boat race circuit".

Tumut Excursion

On Wednesday 3rd April we have an exciting excursion planned for Talbingo Public School. Students are off to the Montreal Theatre to watch the award-winning performance Snowy & the Seven Cool Dudes. The story of Snow White is remade into a fun interactive show for all ages for enjoy. For the afternoon we will be heading to the Tumut Library, students have the amazing opportunity to participate in programs similar to those run in the school holidays.

STUDENT CHAT

Amber-

I have been enjoying sport with Mrs. Wysman, we have been doing lots of fun games. My favourite so far is around the world. I also liked Sculpture by the Sea and making the foil people.

Rory-

I liked when we made cakes for the Teddy Bear's picnic, cooking at school is fun. When the policeman came the cuff's felt really weird and were super heavy.

I'm looking forward to making playdoh in science with Mrs. Wysman.

Frankie-

I love the book we are reading - Blueback. It's about a groper fish, we also made big fish out of paper bags and painted them with balloons that was super fun.

Ruby-

I am enjoying Blueback the book we are reading, I am finding the character's lives very interesting. I also love our new teacher Mrs. Wysman.
