RESPONSIBLE PET TALKS

Representatives from the Southern and Western Regional Responsible Pet Education Program will be coming to our school to talk to the students about pets.

Educator Shannon Vickery is planning to bring along her pet dog "Oscar" to help her teach the students how to behave around dogs. I'm sure the children will enjoy their visit and learn how to be responsible around animals.

SHEARING SHED VISIT

On Tuesday, 6th September, staff and students will travel to Mrs Stacy's property, "Camelot", to watch some shearing take place. This will be a great opportunity for children to gain some experience of a working farm and should be lots of fun too! As a result of this visit, the Mufti "Disco" Day has been postponed until Thursday, 8th September.

MUFTI "DISCO" DAY

On Thursday next week, the Student Representative Council is holding a mufti day, with a disco theme to raise money for the Snowy Hydro Southcare Helicopter Service.

Students are encouraged to wear their best disco clothes and accessories in return for a gold coin donation.

Thank you

Many thanks to Mrs Reinders for her kind donation of the fish tank, now proudly on display in our corridor.

Our fish seem to have settled in to their new home quite happily and, with the addition of some water plants and ornaments, the tank is looking great.
