ROSEWOOD COMMUNITY SERVICES CAMP

Last week we travelled to Rosewood Public School for an overnight camp. The theme of the camp was "Community Services" and we learnt all about jobs in the Airforce, Navy and Army as well as Zoo Keepers and Photographers.

We "camped" in the school library with students from the other small schools. There were lots of hands-on activities but the highlights for most students seem to have been the ride on the navy boat and using the flight simulator. The students have written acrostic poems about the camp – you can read some of these on the back page of this newsletter.

Thank you to the parents who assisted with transport.

2013 CALENDAR & CHRISTMAS CARD FUNDRAISING.

The P&C will be selling 2013 calendars and Christmas card packs featuring the artworks of our students - and they look great! However, this year we will be producing these products right here at school, which will result in greater profit for the P&C.

The new photocopier, purchased by the school earlier this year, is capable of producing top quality documents and we are excited at being able to assist the P&C in this project.

All money raised by the P&C is used to help finance activities and purchase equipment for our school. This assistance greatly benefits the students by improving and broadening their educational experiences and opportunities.

An order form is attached, and extra copies can be picked up from the school office or from the Talbingo Supermarket. All orders need to be returned, with the correct payment, by 2nd November for pick-up on the 30th November.

If you would like to pick-up your order at an earlier date, or require mail delivery, please contact Mrs Germantse at the school office.

SCHOOL UNIFORM ORDERS

Order forms will be issued early Term 4
and will need to be returned
(with payment) by the end of Week 3.

Please think about what you need and be
ready to order promptly.

We have been advised that there may be
some small price increases – and are just
waiting for the new catalogue, which
should arrive soon.

Rosewood Camp Recount

On Thursday morning my school and I went to Rosewood Camp.

Madison, Jade and I went in my mum's car. When we got there we had to put our stuff away in the library.

After that we had to be sorted into colour groups. We were with the other small schools.

We did three activities before we got to the Navy. When we went on board the boat, we got a scare from a man hiding in the pirate bay. Molly and I went into the bay. I got wet because they poured water down a hole. Later on, I got to scare the other half of the green team. They were all boys.
