WELCOME MR PARKER

Today we welcome Mr Colin Parker, the Riverina Regional Director, to our school. Mr Parker has been visiting other schools in our area, travelling down from Cabramurra Public School this morning.

Mr Parker will visit the classroom and observe the students at work. He will also talk to Mrs Levey and learn about all the great things happening at our school and how well the students have been progressing this year.

OPERATION ART SUCCESS

Congratulations to Year 6 student Cassandra whose artwork, "Snails in the Garden", has been selected for the 2012 Operation Art Teacher's Resource CD. Her artwork has also been selected to hang, temporarily, at the NSW Office for Children before becoming part of the Art Bank collection to hang in the Children's Ward of a country hospital.

Well done, Cassie and thank you Mrs Stacy for your efforts and dedication in the teaching of Art throughout the year. Our students have definitely improved their skills and knowledge in a range of artistic techniques. As we have previously reported, this year four of our students had art works selected for the Operation short list which clearly shows the level of enthusiasm and talent in our school.

YARRANGOBILLY CAVES

Whilst the older students are enjoying their trip to the Snowy River Camp, our younger students will also go on an excursion to the Yarrangobilly Caves with their peers from other schools in our Mountain Small School's network.

On Tuesday, 30th October, Mrs Pullen will drive the students to Yarrangobilly to enjoy a caves tour, bush walk, and picnic lunch. Permission notes have been sent home with the children and contain all the necessary information about the arrangements.

Poems With Mrs Pullen

“Rosewood Camp”

by Patricia

Rosewood’s Entertaining Kids
Outgoing spirits
Surviving with Enjoyment
Entertaining lots of people
Willing to have a try
Outstanding and creative games
Over the hills with your friends
Drowsy in the morning.

“My Dog”

by Molly

My dog has a wagging tail,
it’ll go without a fail.

My dog always barks,
on the ground he’ll leave paw marks.

My dog and I have a strong bond,
when I’m around he’s always found.

My dog is a husky,
therefore he must be fussy.

My dog uses both ears
and he doesn’t have many fears.

My dog is the best in the world
and you won’t change that.

“Birds are...”

by Danielle

Birds are the coloured flying
objects in the bright blue sky.

Birds are the ones that shimmer
and shine on dull days.

Birds are the ones that squawk
in the early morning sunrise.

Birds are the ones that may wake you up in a
fright.

Birds are the ones that you hear chirping in a
big white gum tree.

“Cat Families are...”

by Cassandra

Cat families are awesome to see in the wild.

Cat Families can come in different colours and
sizes.

Cat families are really fast at running.

Cat families are not really good pets to have.

Cat families can look cute and cuddly, but are
dangerous.

Cat families are really good at camouflaging in
the wild.
