Envirochampions Day

Today we welcomed students from Bongongo and Franklin Public School for the final Envirochampions Day. Mr Greenwood from the Riverina Environmental Education Centre in Wagga came to coordinate the day's activities.

This day was held to allow all the students to present the projects, they had been working on throughout the year, on the topic of Water Awareness.

The students enjoyed getting together and the weather was perfect for some outdoor activities too!

Thanks to all the staff involved for providing our students with this opportunity.

Annual Award Presentation

Plans are well underway for our annual award ceremony.

Parents and members of the community are cordially invited to attend the ceremony which will be held next Thursday, the 13th December.

As in previous years the evening will commence with a community barbecue at 6.00pm. The awards ceremony will follow at 7.00pm.

After the ceremony has been concluded, there will be a Christmas carol sing-a-long and the traditional visit from Santa for the Christmas Tree gift giving.

Parents are reminded to make sure students have a clean school uniform for this special occasion.

Sport Continues at Cabramurra

We have been enjoying our regular visits to Cabramurra Public School for sport this term. In addition to the swimming activities, we have also had the chance to do lots of other interesting things as well.

Next week we will be taking part in a walkathon and any money raised will be combined with some SRC funds to purchase Christmas gifts for less fortunate children in our region.

On Wednesday, 19th December (the last day of school for students) we will have a very busy day. As well as swimming, we will participate in "Hero Cricket" and have a "Farewell to Year 6" party. There will be a small charge for the cricket and a permission note with all details will be coming home next week.

Students will also be asked to bring along a plate of party food as well as the usual packed lunch.
