ROAD & BIKE SAFETY TALK

On Tuesday, Constable Joel, from the Talbingo Police Station, visited our school on his day off to talk to the students about bike safety and road safety.

After commencing the talk in the classroom, everyone moved outside for some practical demonstrations. Constable Joel talked to the children about how to cross the road safely and made sure they understood basic road safety rules.

Once outside, he was able to inspect the bikes the students had brought to school and advised the students how to make sure they are roadworthy and safe to ride. Constable Joel also explained how to make sure their bike helmets fit correctly and that they are done up properly.

NETBALL GALA DAY - HOLBROOK

Unfortunately, St Patricks School in Holbrook has cancelled the Netball/AFL Gala Day which was to be held on Friday, 19th October and apologises for any inconvenience.

The school does hope to host a similar day in 2013.

P&C Meeting
Today at 5pm

All parents are
asked to attend.

WESTMEAD CHILDREN'S HOSPITAL APPEAL

At the end of last term, the SRC held a "Pyjama Day" to raise money for the children's hospital annual Bandage Bear campaign. In return for the opportunity to wear their pyjamas and slippers to school, staff and students were asked to make a donation for this worthy cause and \$60.00 was raised and has been forwarded to the hospital.

Thank you everyone: this is a great result from our small school.

Education Week, 2012

Pavement Art

This week is Education Week and to celebrate, Talbingo Public School students created a pictorial display on the pavement outside the local supermarket.

Using pavement chalk, the children drew pictures representing aspects of their learning this year. It was great fun and we hope everyone in the community enjoys the drawings while they last.
