BOOK WEEK HIGH TEA

Last Tuesday, our students conducted a special Book Week assembly, which was followed by High Tea in the Library with parents and members of the community.

Although only a few parents were able to attend the students were happy to share their recently created books with them. Thank you to everyone who came and showed their interest in our stories.

2013 KINDERGARTEN TRANSITION UNDERWAY

Welcome to Ryan who joined us last week for Kindergarten transition. During the morning Ryan enthusiastically joined in with some Maths activities with Year 1, took part in sport and demonstrated his fine motor skills during a cutting and pasting activity.

It is still not too late to register your interest in enrolling students at our school next year. Please contact Mrs Levey as soon as possible to obtain an information pack

FATHER'S DAY STALL

Thank you to everyone who supported the Father's Day stall this week. We hope that all the Dad's and Grandad's will enjoy their gifts as the children had fun choosing them.

The P&C will be selling gifts in front of the Talbingo Supermarket this Saturday morning so that members of our community can buy gifts too.

CABRAMURRA TO VISIT

Cabramurra Public School staff and students will be visiting us tomorrow to continue with our Enviro Champions program. Hopefully the weather will be kind and we will be able to conduct our water activities.

HOT LUNCH DAY

Our next hot lunch day will be next Friday, 7th September. The students will be told what is on the menu next week and will need to bring their \$3.00 with them on Friday.

TUMUT PUBLIC SCHOOL VISIT

Last Tuesday, 100 students from Tumut Public School visited our Energy Park for the morning. Although the weather was not very conducive for some activities (cooking an egg in the solar oven proved difficult), everyone had a really great day.

Our students each looked after a different activity, impressing the visiting staff members with their knowledge and confidence.

YEAR 6 INTO 7 HIGH SCHOOL TRANSITION CONTINUES

Molly and Cassie will experience a day at high school when they travel to Tumut High School next Tuesday for the next transition day.

Mrs Levey will also be attending, and will meet with other Primary and High School Teachers to discuss the composition of Year 7 classes for next year.

The students will take part in a number of different lessons during the day, getting a taste of what a school day is like in secondary school

ROSEWOOD CAMP

We are looking forward to visiting Rosewood Public School later this term for an overnight camp focussing on the different jobs people do in our local community.

We will join students and staff from the other schools in our Mountain Small School's Network on Thursday 13th and Friday 14th September.

A permission note with further information about the camp will be coming home next week. In the meantime, please consider whether you are able to provide transport as we will not be hiring a bus for this activity.
