Khancoban Camp

During Week 3 we will be travelling to Khancoban Public School for a 3 day camp. Permission notes have been issued to all students and parents are reminded that these need to be returned, with payment, by next Friday.

Please see Mrs Levey if you have any questions about the camp.

Term 4 Sports at Cabramurra

Our first sports day at Cabramurra will take place next week. Please return your permission note immediately.

We still need a parent volunteer to help transport students next Wednesday. Please see Mrs Levey if you can help. Students need to wear sports uniform, hat and bring their lunch, drink bottle and morning tea.

Drinks and Nibbles at School

We would like to remind parents and students that, as lessons continue whilst the children eat their morning nibbles, they should bring something that can be eaten quickly and easily.

Some suitable items include chopped up fruit, dried fruits, carrot and celery sticks and cheese for example.

With the warmer weather coming on we would like also to remind you that, according with school policy, students should only be bringing water to school to drink throughout the day.

Water is the best drink for maintaining hydration and quenching thirst and bottles can be refilled easily during the day as needed. Other types of drinks and juices are best kept as "at home" drinks.

School Photos

Our school photos will be taken next Thursday, after lunch. All students will have their photo taken and need to bring back their photo envelope – even if they are not purchasing any photos.

If you have lost your envelope, please see Mrs Levey. Make sure you have a clean uniform and clean school shoes ready for this important day.

Talbingo's Annual Scottish Night

Our Students have been invited to perform again this year at the Scottish Concert which is being held on the lawns of the Talbingo Country Club on Saturday, 30th November. Proceeds will support Can Assist and the St Pauls' Church, Talbingo.

Please return this slip to school indicating whether your children will be available to perform that evening. We understand that the evening will follow a similar format as last year. We expect that students will need to arrive around 4.45pm to prepare for their performance and will again need to be collected by their parents following our performance either to go home or watch the rest of the show. Further information about the arrangements will be sent home when finalised.

My child/children _____ will / will not be available to perform in the Scottish Concert.

Monster Garage Sale

Thanks to everyone who helped with the Monster Garage Sale last weekend. Money raised from stall bookings, the barbeque and white elephant stall at school came to just over \$500.00 – a great result.

Special thanks to Tracey Pullen, Marilyn Rohloff and Wendy Fox who were responsible for much of the organisation and to all parents who helped out on the day.

Stranger Danger

Living in a small community we tend to know most people who live here and feel safe going about our daily lives.

We do need to remember, however, that we have lots of visitors to our town and our children still need to be aware of how to keep themselves safe at all times.

This week I have had to speak with the police concerning a man showing unusual interest in our school and students. The students have had daily lessons on "stranger danger" and how to stay safe.

Without wishing to raise unnecessary concerns, this may be a good time for families to have similar talks and revise their rules regarding walking to and from school, playing at friend's houses and talking to or going anywhere with strangers.

Infants Big Day Out – Tumut

We had fun at the park

Learnt about the "olden days" at the Museum

Saw some unusual wildlife

and enjoyed our visit to the Library
