Thank you Mr Rutland Welcome Back Mrs Levey

A bright coloured 'Welcome Back' poster adorned the classroom this week for Mrs Levey's return to school after a period of long service leave travelling through the northern part of Australia.

During her absence, Mr Rutland capably managed the school and we thank him for his diligence and efforts during her absence.

Whilst Mrs Levey was away we welcomed a new family to Talbingo and it is very pleasing to see Teagan, Joshua and Daniel settling in so well.

Dental Hygiene Talk

Last week Mrs Judy Reid, Primary Health Care Nurse with the Murrumbidgee Medicare Local health service, visited our school to talk to the students about the importance of looking after your teeth.

Mrs Reid showed the students how to brush their teeth correctly and what to expect during a routine dental examination.

She also talked about the importance of a healthy diet and what happens when children eat the wrong types of foods and don't care for their teeth properly.

Uniform Orders

LW Reid consistently offer quality clothing at the most competitive prices, however, they do have a minimum order requirement to avoid administration charges.

To avoid the 'small order fee' we need to concentrate our orders and it is intended that the school will place orders at the end of Term 1 (ready for Winter) and Term 3 (for summer). We may consider placing orders at other times if there is sufficient demand.

If you need to make a special order the small order fee of \$16.00 may apply, depending on the size of your order.

A uniform order form will be sent home before the end of this term to allow families to order for the coming summer season. Please consider your needs carefully, as in most cases, we cannot afford to place interim orders due to the minimum order requirements of our supplier.

Diary Dates

Week 6 - Beginning Monday 19 th August	
Tuesday	V.C. Assembly 10.30am
Friday	Pet Safety Talks

Week 9 – Beginning Monday, 9 th September	
Friday	Walkathon
Week 10 – Beginning Monday, 16 th September	
Tuesday	V.C. Assembly 10.30am
Friday	Uniform Orders Due Last day of Term 3

Morning Nibbles

During the morning students are encouraged to enjoy some "nibbles" to ensure they don't run out of energy.

We recognise that it is a long time from breakfast time to recess for young children and a small snack can make all the difference. Lessons continue whilst the children eat their snack and so it is important that the children bring something suitable – their snack needs to be something healthy that they can eat quickly whilst still managing to concentrate on the lesson.

Some suitable items include chopped up fruit, dried fruits, carrot and celery sticks and cheese for example.

Thank you for your co-operation.

Video Conference Assemblies

Now that Mrs Levey has returned, our video conference assemblies with Mullengandra P.S. and Cabramurra P.S. will continue.

The next assembly will be at 10.30am on Tuesday, 20th August. Mullengandra will be hosting this assembly and all parents are invited to attend. Cabramurra will be hosting the assembly on Tuesday, 3rd September, and it will be our turn to host on Tuesday 17th September.

ALPS Small Schools Excursion

All the primary students are getting excited about their trip to Victoria, which sets off from Tumut on Monday, 26th August.

A reminder of what to bring will be going home with students next week.

**Please check this carefully.
It is important students are
fully prepared for their week away**

Netball Clinic

Netball NSW's Riverina Development Officer, Ms Amanda O'Connell, visited our school to conduct a netball clinic.

Students were divided into two groups and focussed on activities and drills that reinforced the rules of netball and designed to build the skills and techniques necessary to play.

Students learned that it is important not to move your feet when you have the ball and how to throw using the correct technique.

They also learned how useful it is to be able to intercept the ball to give your team a chance to score a goal.

Everyone had lots of fun!

Thanks Amanda
