Welcome Back

We hope everyone has had a wonderful holiday and returned refreshed and ready for a busy Term 4. We have been enjoying the lovely spring weather this week, working outside with our solar activities as we prepare for a visit from Tumut Public School next month.

Guitar Lessons

Guitar lessons will resume next week and parents are reminded that Term 4 fees (\$50 per student) are now due. An invoice and payment envelope have been attached for your assistance.

Congratulations to Danielle who was named Ramos Music most improved student for Term 3 (from all local schools) and receives her Term 4 lessons for free as her prize.

Payments can be made in full or by instalments. Please ensure your account is paid in full by Friday, 14th November 2014.

If you will have difficulty in meeting this expense, by the due date, please see Mrs Levey as soon as possible.

Senior Excursion

This year students from Years 3-6 will be visiting Canberra and the South Coast of NSW during their 5 day excursion.

The excursion is bound to be lots of fun and permission notes, complete with an itinerary will be sent home as soon as transport pick-up arrangements have been finalised.

The school has been able to subsidise the cost of the excursion with government equity funding designed to improve educational opportunities for all students. Students are only being asked to pay \$50.00 - great value for such a fantastic opportunity.

Permission notes and payment will need to be returned to the office by Friday, 24th October. Again, if you will have difficulty in meeting this expense please see Mrs Levey as soon as possible.

P&C Meeting

The next P&C Meeting will take place at 3.10pm in the classroom on Tuesday, 14th October 2014

There will be a number of important items on the agenda and all parents are encouraged to attend.

A proposed agenda has been attached for your information and includes 2015 priorities such as camps, guitar lessons, excursions and Term 1 swimming lessons.

If you are unable to attend but would like to have a say in the decisions that are made, please ensure that you have paid your P&C contribution of \$4 this year and then contact Mrs Levey, before the meeting, with your preferences and to indicate which fundraisers you will be able to help with.

Talbingo Students to Host Conference Delegates

On Thursday, 16th October the Talbingo Student Representative Council will be hosting morning tea for 2 large groups of visitors, who have come to our area for the Annual National Murray Darling Association conference, which is being held in Tumut.

The delegates will be visiting Talbingo as part of a day-tour of the Snowy Mountains. Under staff supervision, the students will prepare solar oven cakes and scones and will help serve morning tea in the park next door over 2 sessions during the morning, catering for approximately 100 people in all.

The money raised will go to support Student Council initiatives.

Backyard Footy

The students had a great day for their final rugby league session with Michael Henderson, NRL Development Officer. It was great to see some parents coming along as well. The students have really enjoyed the program and we thank Mr Henderson for offering them this opportunity.
