Talbingo Students “do their bit” to Clean-up Australia

This year we have supported the Clean-up Australia initiative by cleaning up around Talbingo today, Friday, 28th February.

We conducted our activities in the morning and concentrated our efforts around the school, supermarket and church areas.

We left the school at around 9.00am to walk towards the supermarket. Students were provided with disposable gloves and brought along a plastic bag to collect rubbish in. We arrived back at school with just enough time before recess to wish Daniel a happy birthday and enjoy a delicious cupcake treat (Thanks Dianne).

↑ Everyone collected lots of rubbish which we made sure went into the bin!

P&C Meeting

The first meeting for 2014 will be held in the classroom at 3.10pm on Wednesday, 5th March and will be both the Annual General Meeting and a General Meeting.

At the AGM a financial report for 2013 will be tabled, all positions will be declared vacant and a new committee elected for the coming year.

There will be a number of important items on the agenda for the general meeting including:

- Transport for school activities
- Student insurance
- Fundraising
- Department updates

We hope to see everyone there. The 2014 annual membership subscription of \$4.00 is now due and can be paid at the meeting or returned in the envelope attached.

Week 11 - Beginning Monday, 7 th April	
Wednesday	Life Education Van

Get Ready for Winter – Order Your Uniforms Now.

A uniform order form has been attached to this newsletter. Please consider what items you will need for the coming winter terms and order now.

Our supplier, LW Reid, has introduced a “small order fee” for orders under \$100.00. The school has absorbed this cost for recent orders. To avoid this fee in the future, we need to restrict the number of times orders are placed and families need to support our school uniform ordering system. The school only charges parents the cost price for uniform items, so you will not get a better price anywhere else.

Please consider what items you will need for the coming winter terms and order now.

New School Hats

This week all students have been issued with a new school hat to wear whilst at school or on school outings. The hats have been purchased from Student Assistance Funding and, with our logo embroidered on the front, will help us to stand out as a group when we are out and about.

There is no cost to parents; however, if students lose or damage their hat through careless behaviour, parents will be required to pay for a replacement. (the school has some spare stock on hand)

As our school hats are kept at school, students may still like to wear their older hat as they make their way to and from school to protect their faces from the sun.

Our new hats look great!
