Term 2 Staff Changes

Welcome to Ms Madison Seymour who joins our staff at Talbingo Public this term. Ms Seymour will be working in the office 2 days a fortnight (Thursdays in the odd weeks and Fridays in the even weeks). Mrs Germantse has accepted an increase in hours to her position at Tumut High School but will continue to work in the office each Monday and on alternate Fridays (odd weeks). Ms Seymour is well known to our staff and students already as she has been working at Cabramurra Public School and has visited our school on a number of occasions as well as being present at many ALPSS activities.

Mrs Levey will be attending several professional development activities this term in addition to a number of Principal training days. In her absence, Mrs Dean and Mrs Pullen will be the classroom teachers.

ALPSS Athletics Carnival

Students from Talbingo, Humula, Cabramurra, Rosewood and Khancoban Public Schools came together for a fun-filled day of both traditional athletics events and a range of novelty events recently at Rosewood Public School.

Although small in number, our students enthusiastically entered as many events as they could to earn points for their school. Mrs Levey was very proud of all the students for their wonderful participation, which ensured the carnival was exciting and a positive and competitive atmosphere. At the end of the day the student's efforts were rewarded with our school being named Champion School.

Josh had an exceptional day coming first in the Junior 100, 200 and 800 metres. He also came first in the high jump, long jump, shot put and discus and was named Junior Age Champion. Teagan also performed well on the track coming 2nd in the Senior 100, 200 and 800 metres. Despite her concerns about competing in some of the field events, Teagan did very well coming 2nd in long jump, discus and discus. Other notable results included: Taylor – 1st Infants 75 metre, Seth – 3rd Infants 75 metres, Daniel – 2nd Junior 100 metres, Ryan – 5th Junior 100 metres and Alyssa – 5th Junior 800 metres. The students really enjoyed catching up with their friends from the other small schools and had a wonderful day.
