Skiing – Selwyn Snowfields

The students are having a fantastic time skiing at Selwyn Snowfields for our winter sport. Our younger students are learning to ski and are starting to use the 'pizza' formation with their skis to stop. The older students in the immediate lessons are working on improving their turning and introducing parallel turns and stops.

We have skiing next Tuesday, 4th August and again the following Wednesday 12th August. Humula Public School will be joining us on the bus to travel up to Selwyn ready for Snow camp that afternoon. We will be having an afternoon ski lesson and will arrive at Cabramurra around 4:30pm.

Please remember to bring ski goggles or sunglasses and gloves. Sunscreen should be applied before students arrive at school. Please ensure all clothing and other items are clearly labelled with your child's name. Students will need to bring a packed recess and lunch, and a water bottle to last them for the day. Students cannot purchase food from the resort café.

Payment for ski trips must be made before boarding the bus each week. The cost will be \$25 per student per trip.

Junior Excursion

Talbingo and Cabramurra students had a fantastic time on the Junior excursion to Canberra. The weather was a bit chilly in Canberra but that didn't stop the students from enjoying the 2 days of fun!

Thank you to Goodes Coaches for organising the excursion and transporting us to and from Canberra.

Head lice

Head lice have been lurking around our school recently. Can you please regularly check your child/children's hair for any signs of head lice or eggs and treat the hair immediately.

We will be sending home each student's school hat this Friday to be washed. Please return the hat to school with your child on Monday. With your help, we can hopefully get rid of head lice from our school.

Thank you.
