HOT SPOT

Early Action For Success.

Talbingo Public School has been lucky enough to be chosen by the government for the Early Action for Success program for 2017. We are one of seven small School's selected for this innovative program, which targets Kindergarten to Year 2 students' and aims to improve students' performance through targeted support.

LMBR 2017.

LMBR or Learning Management and Business reform, is a new program that will see Talbingo Public School change into a new integrated system fully by May 2017. One of the most significant changes is to shift to a centralized financial processing and reporting system. LMBR will help Principal's and teacher's access and store students information, making their learning history and planning easily accessed. This will see Miss Howell and Mrs Levey attending 15 days of training in 2017 so our transition will run smoothly and stress free.

Cabramurra Sleep Over.

Notes and lunch order money are Due on Monday 5th December!!

Students have been invited to attend a Christmas sleep-over at Cabramurra Public School on Tuesday 13th and 14th November, with the ALPSS Schools Network. This will be a final Christmas activity to coincide with our last Blue Earth fitness day.

All staff at Talbingo P.S will be attending a compulsory CPR and Anaphylaxis training course at this time in Cabramurra, so there will be lots of supervision.

Senior Excursion
 Alyssa and Ryan were fortunate enough to attend the Sports and Recreation School Camp last week in Sydney with Mrs Levey and the ALPSS Schools. They both worked hard and conquered their challenges with bravery and perseverance. Once again the ALPSS students should be commended on their good behavior, that was noticed by all we met.
