We had a wonderful time at the Matilda show Thursday 28th April - Friday 29th April. Thank you to all the students for being so well behaved for the trip.

ALPSS Talbingo Camp – Day 1

Welcome to our friends from ALPSS for our first day of the Talbingo Camp. After a chilly start, all the students could not wait to try all the fun morning activities. Learning about the environment and science in a fun way and making friends as they do.
