| Week 6 – Beginning Monday 22nd August | |
| BOOK-WEEK  | |
| Tuesday | Save this date |

ALPSS Cultural Day – Humula

On Wednesday 27th July we attended the Cultural Day at Humula. It was great to see all five ALPSS schools attend. The students enjoyed many activities that included Wood-burning, Aboriginal Games, learning about Aboriginal Artifacts, and even enjoyed a yummy Johnny Cake made from Wattle Flour on the way home. Everyone had a great day.

NAIDOC Day – Gadara

At the end of last term, the students enjoyed a hugely successful day at Gadara to celebrate NAIDOC Day. Mrs Levey was very proud of the way Talbingo students participated in all activities without hesitation.

Mt Selwyn Skiing

On Tuesday 26th July students enjoyed a wonderful day skiing. The fresh thick snow were great conditions to get back on the skis and with over cast conditions we even had the excitement of snow flurries falling as they hit the slopes. Everyone remembered what they had learnt last season and we saw some wonderful progress in all groups. Claire went up on the big chair and skied all the way down, Mia managed to stay upright with confidence, the triple chair was used by all and group 3 learnt parallel turns. We are all looking forward to our next day on the slopes on **Wednesday 3rd August**. As we do need a little extra time booting up, we will need to leave by **8.15am** next Wednesday. Please have the children here promptly. Thank you.

Our Intern – Jess

Dear students and parents of Talbingo Public School, my name is Jessica Dunn and I have the privilege of completing my nine week internship in your beautiful school. I am from Wagga Wagga where I attend Charles Sturt University and run a local singing school, 'JDSS'. I look forward to getting to know you all throughout the term and intend to work closely with both staff and students to ensure my time here at Talbingo is both rewarding and enjoyable.

Kind Regards, Jess.

We welcome Jess to our school community.

ALPSS CULTURAL DAY - HUMULA
