Wednesday	Power Outage Essential Energy
Friday	Year 5 REEC Wagga
Week 10 – Beginning Monday 27 th June	
Tuesday	Teddy Bear's Picnic
Wednesday	Skipping Gala Day

Teddy Bear's Picnic

The students will be hosting a *Teddy Bear's Picnic* Morning Tea in the Library on Tuesday 28th June at 10.00am. This is a fun way to thank the community members that have been listening to your children read every morning from 8.30am. Students need to bring ONE Teddy Bear and ONE plate of morning tea to share. (Cake/biscuits/cheese & crackers/slice etc.) There will be games to play, things to learn.

Parents can bring a teddy and join us too.

Attendance

Although lessons commence at 9.00am students are able to arrive at school any time from 8.30am. Please note that there is no supervision for students prior to 8.30am.

There is a strong link between attendance and academic success: every day counts towards your child's learning. Attending school each day also promotes better peer group relationships. **Parents are required to provide a written explanation for all student absences.**

Generally the coming to school, and going home routines of our students are well known to staff. Please remember that if you have arranged for your child to go home with someone else, you

need to notify the school in writing – or by phone if circumstances have changed during the day. If the office is unattended, teaching staff will have the school mobile phone in the classroom.

Power Outages

Please be aware that there will be further Power Outages by Essential Energy on **Wednesday 22nd June** and **Friday 24th June**. As we will be at Humula on Wednesday 22nd June for the Bluearth Program, this will not affect us. Please remember to have appropriate warm clothing for the Friday.

Bluearth Program-Humula

Just a reminder that all permission notes, sausage sizzle orders and money are to be returned to the school by Monday 20th June.

The bus will be departing the school Wednesday 22nd June promptly at **7.15am**.

Skipping Gala Day

On Wednesday 29th June, Cabramurra PS will be joining us for a Skipping Gala Day. This is part of our Sports Skipping Program and promotes a healthy heart and fitness.

Team Recipro

Last week students continued the importance of working as a team on a special project designed and executed by teamwork. Some of the important lessons they negotiated together and key words to remember:

- *Agreement
- *Leader
- *Help
- *Collaborate
- *Listen
- *Cooperate

The end result was a new colourful addition to the community garden and will keep the birds away.

Say Hello to "Scarecrow".
