ALPSS Swimming Carnival.

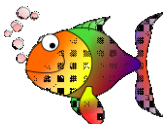

Yesterday Talbingo Public School competed in the ALPSS small school's swimming carnival, held in Tumbarumba.

Students' did an amazing job competing in as many races as possible, to build points for our School. After all their hard work Talbingo P.S was rewarded with the Winning Trophy!!!

This is the first time we have been lucky enough to win the carnival in over 7 years, what a great achievement, we all should be very proud of our Students'. Once again Students' are to be commended on their great behaviour and sportsmanship throughout the day and a big thank you to parents for providing transport for your children.

New Data Wall.

Come in and see our new Data Wall that is specifically designed to help keep track of your child's individual learning programs.

It is designed to let students' know-

- Where am I at with my learning?
- Where do I need to go next to achieve my goals?
- Have I reached my goals?

Working With Children Check.

A Working With Children Check is a requirement for people who work or volunteer in child related areas. These checks are designed to keep our children safe and we would like to encourage all parents to get one!!

It's an easy process, just go to

www.kidsguardian.nsw.gov.au or google Working With Children Check NSW and follow the directions to the volunteer's area, where you can obtain the check at no cost for volunteers!! Some of our parents already have one and I'm sure your child would love to see you more involved in their school.
