Adelong Gold Ruins Excursion.

On Wednesday, Students' made the trek down to explore the beautiful Adelong Gold Ruins and visit the Adelong Museum. The highlights for the Students' were touring the ruins and panning for gold. The punishment book also got lots of giggles from the children and the teachers. A big thank you to Louise Halsey for being our tour guide and to Mrs Pullen and Mrs Levey for driving the Students' to Adelong in their private cars.

Tennis with Birdie.

Bernadette Cahill continues to visit Talbingo P.S teaching the Students' stacks about their Tennis game. The primary Students' have been paying close attention to their forehand, backhand and serving. Daniel and Josh have also been competing in some great rallies.

The infant's Students' love playing popcorn with Birdie whilst improving their skills and getting the ball over the net. While the Students' are learning fantastic skills about Tennis, these days are also a fantastic opportunity for the kids to socialize with the Cabramurra Students'.

All Students' are to attend, as these are compulsory school days. As the School has to pay 2 weeks in advance, there unfortunately can be no refunds. Permission notes to come home soon.

Tomorrow Ryan will be attending Red Ball tennis in Tumut. Red ball tennis focuses on the development of agility, coordination and balance, it's a fun filled day with lots of socializing and great exercise. We're sure Ryan will have a fantastic day!

How Does Your Garden Grow?

Well at Talbingo Public School...fabulously!! Students' are reaping the rewards of their beautiful garden. This week in cooking with Mrs Pullen, Students' have made Mandarin curd, mandarin biscuits and mandarin and pear crumble. They have also made pumpkin scones, soup and damper from all the fresh produce. The favorite part of course is the taste testing!
