Issue No. 8 Thursday 17th September, 2020

END OF TERM

How exciting, holidays are almost here! It is definitely time for a well-deserved break for everyone! Be sure to spend some quality time with your families, enjoying the simple things in life.

LAST DAY!

Friday 25th September is the last day of Term 3. Teachers and Students return MONDAY 12TH OCTOBER!

FAREWELL MISS DUNN

A huge Thank you to Miss Charlotte Dunn who has spent the last 6 weeks as a prac student at Talbingo Public School. We have all enjoyed the many varieties of lessons Miss Dunn brought to our classes and her fresh ideas. We wish her all the very best in the future.

Landcare Nursery

Another big Thank you goes out to the Riverina Highlands Landcare Nursery, for donating tree guards and bamboo sticks to our school. Talbingo Public has recently purchased new plants to replace the hedge that was lost in the recent bush fires, surrounding the Amphitheatre. These guards will be used to protect the plants from the kangaroos and wildlife.

Be sure to check out the nursery located on the Gocup road in Tumut, Steve is a wealth of knowledge and has a wonderful selection of native plants and trees.

96.3 Sounds of the Mountains

Students have loved performing Readers Theatre on the local station. "Where's my hairy toe" and "Camping" have been carefully thought out and delivered wonderfully to many eager listeners. Be sure to be listening Wednesday 14th October at 2.40pm!

Cultural Sessions

The cultural sessions with Talia and Shane from the National Parks and Services were a wonderful incursion for the students. This week students participated in Aboriginal art activities and had a taste of some real bush tucker, a great experience for our school.
