Concerns or Questions

I would like to remind you that if at any time you find you have a concern about anything to do with Talbingo Public School, you are encouraged to come and talk with Mrs. Levey so that your concern can be resolved.

It is our aim to work with all of our school community to ensure that we do the very best we can to ensure a productive, safe and enjoyable experience for our students. However, should you feel that you must raise a concern formally, the NSW Department of Education and Training has procedures for ensuring that complaints are handled fairly. A brochure which provides information about how to lodge a complaint and a Complaint Form are available from the school office.

Busy Schedules Week 9

As you can see by the calendar, Week 9 has turned into an action packed week of fun filled extra-curricular activities. Unfortunately, Mrs. Levey had no control over the dates for these events and we apologize for them all falling into the same week.

We understand this will be an extra busy week and we ask that parents use their discretion in choosing what is right for your child. Mrs. Levey would like to place priority on the Canberra excursion and see that all students attend this event.

If you do not intend to send your child to Harmony Day in Humula or the Snowy Hydro excursion, please discuss this matter with Mrs. Levey so we can arrange for a teacher to be at Talbingo PS. Attendance at school is still required, as these days are considered a normal school day for your child.

Healthy Lunches & H2O for School

We encourage all students to bring healthy food to school, a healthy morning tea & lunch gives your child the energy they need to play, concentrate, and learn. Chocolates, lollie's and all kind of sweet food and drinks are discouraged. Please keep these items for special treats at home, water is the go to at school. Thank you for your support in helping keep our school healthy and happy.

Although lessons commence at 9.00am students are able to arrive at school any time from 8.30am.

Please note there is no supervision for students prior to 8.30am.

2022 Swimming Carnival

Talbingo Primary students made the trek to Tumbarumba to compete in the annual ALPSS swimming carnival.

Although things looked slightly different this year, due to our lovely friend Covid-19. Students all had a fantastic day, Mrs. Levey was super proud of TPS students who dug deep and tried their best. Proving sometimes you just have to get in and have a go, TPS walked away second place overall for the day.

A huge thank you to Dick and Sara for transportation and time keeping.
