## TUMUT EXCURSION

*By Mia*

Yesterday we went to Tumut and learned how they make brooms. After that we went to the visitors centre and looked at a gallery of photos from the bush fires.

We also saw the corroboree frogs and we were just in time to see them eat!

They were so cute and small and one of them was really clumsy, it kept falling over, it was so cute!

Then we had to go, and I was sad but we got to go to the Montreal Theatre, as we sat down the show started to begin.

There was music, songs, dances and costumes, it was wild. When the show was over, I told some of the actors that their performances were great.

I already miss the frogs.

## BOOK WEEK 2023

**Read, Grow, Inspire.** Talbingo Public recently celebrated Book Week by dressing up as their favourite book characters and participated in an incursion with the Author of Macca the Alpaca- Matt Cosgrove.

Students had the best day and loved getting dressed up.

# TUMUT EXCURSION

*By Amber*

We got off the bus and headed into the Montreal Theatre. Eventually we found our seats and sat down. The screen on the stage played a slide-show of what Tumut Public School has done this year, then finally it started!

The first dance was in the world in 2047 and they were in purple glowing suits and they had those things that go over your eyes, then they all dropped to the ground and they got back up then we saw the detective. The detective went to the circus, after that the boss comes and gives her a mission! The mission is to get the criminal that stole the golden cowbell, but the boss assigned a spy to watch the detective, so they set off on their mission. They went to a heap of places here are some of my favourites:

1. When they were getting chased by a dinosaur.
2. The first one in the future.
3. The desert one.

Then after they had found the criminal, he got arrested and they all danced together!
