- No playgroup due to excursion, sorry for an inconvenience.
- **LAST DAY OF SCHOOL FOR 2024**

### LUNCH ORDERS

This marks our final Friday for lunch orders this year. Our students have been incredibly fortunate to enjoy these meals, thanks to the generous support of our amazing P&C and school. We're excited to share that lunch orders will resume next year on Fridays. Stay tuned for more information coming in 2025!

### END OF YEAR PRESENTATION

Join us on Thursday, December 12th at 10 AM to celebrate the remarkable achievements of our students over the past year. Following our awards ceremony, we invite you to enjoy morning tea in the library. Please bring a plate to share as we come together to honour our students' successes. We look forward to seeing you there!

### KINDER TRANSITION

Talbingo Public School has had the pleasure of welcoming our new kindergarten student, Georgie, for the 2025 school year for transition! Georgie has been having a fantastic time, filled with engaging activities alongside our other students. From painting vibrant masterpieces to playing the recorder and sharing stories with Mrs. Wysman, Georgie has truly embraced the spirit of our school community. We are excited to see Georgie back for our next transition day and can't wait to continue this wonderful journey together!

### CROOKWELL EXCURSION

Students had a wonderful experience at the Agricultural Camp in Crookwell! They engaged in a range of activities, including a delightful play at Gundagai Park and an enlightening visit to the historic Goulburn Waterworks Museum. They also had the chance to explore Crookwell's sock factory, gaining insights into local manufacturing.

At the camp, students fully immersed themselves in farm life. They planted trees, gazed at the stars, and enjoyed the unique experience of sleeping in cozy yurts, creating cherished memories that will last a lifetime.

Moreover, the camp offered a fantastic opportunity for our students to connect and bond with peers from Humula and Gerogory Public Schools, fostering new friendships and a strong sense of community. Overall, it was a remarkable experience that beautifully blended education, adventure, and fun!

### YARRANGOBILLY EXCURSION

After our fantastic trip to Crookwell, we returned to Talbingo for an enjoyable sleepover with Gregory Public School.

Everyone enjoyed tasty chicken burgers for dinner, and after all the excitement in Crookwell, everyone was tired and ready to relax and recharge for the next day.

The next morning we ventured to Yarangobilly, where students were amazed by the caves. Students learned about the ancient geology & rich Aboriginal history connected to them, and the animals that live in and depend on the caves. It was a wonderful day of exploring and discovering new things, everyone had a fantastic time!

### P&C XMAS RAFFLE

Next Monday, December 16th, we will be drawing our fantastic Christmas raffle! A huge thank you to everyone who has contributed. Please remember that all raffle tickets are due on Monday, December 16th, if you have already sold some tickets, we encourage you to start bringing them in as soon as possible. We also kindly request that you return any unused tickets. The P&C does an incredible job supporting Talbingo Public School, enabling our students to engage in a variety of enriching activities. Let's rally together for this wonderful fundraiser and help raise funds!

# GARDENING

Our students have been busy planting a wonderful garden, and their hard work is beginning to pay off! This experience has taught them valuable lessons about responsibility and teamwork, and we can't wait to see them enjoy the delicious produce they've grown together! If you are interested in watering the garden over the summer break and enjoying the fresh produce to harvest, please see Mrs. Cherry.

## STUDENT CHAT

FRANKIE-

I really liked staying in the yurts on the excursion to Crookwell, except there was a couple of creepy crawlies. I stayed in a yurt with Ruby and Angel from Humula and Angel kindly shared her teddy with me.

Making icecream with Mrs. Wysman was the best too, it tasted like real ice-cream.

I'm really looking forward to the movies next week in Wagga.

RUBY-

I really love gardening; we get to eat what we have grown too. Making ice-cream with Mrs. Wysman was so much fun and I've also really enjoyed working with Mrs. S. Next year I'm looking forward to being in year 3.
